A large flock of birds is captured in flight against a bright blue sky. The birds are arranged in a large, loose circular pattern, with many more birds clustered in the center and fewer towards the edges. The sky is a vibrant blue, and a bright, glowing sun or moon is visible in the upper left quadrant, partially obscured by soft, white clouds. The overall scene conveys a sense of natural beauty and a large gathering of wildlife.

A group of approximately ten wild turkeys is scattered across a grassy clearing in a wooded area. The trees in the background have green and yellowing leaves, suggesting an autumn setting. The turkeys are in various poses, some standing and some partially obscured by the vegetation.
