

Canyon Springs Ranch Sold

- \$
- Sierra County, NM
- 3328 acres

Canyon Springs Ranch is located in the rugged mountains near Cuchillo, New Mexico. Deep canyons and rough country abound on this ranch consisting of:

Deeded-2320 acres (MOL)
BLM-1000 acres (MOL)

Approximately four sections. If you want to run a few cows while maintaining a place to hunt, this might be the place for you. The Canyon Springs Ranch has three wells and has spring water resources. No living quarters, but fences with working pens. Some of the large elk in the area have been found roaming the high country as well as the deep canyons of the ranch.

The country is easily accessible by vehicle or horseback. The beauty of the ranch and surrounding areas cannot be adequately described. Only 30 minutes from Truth or Consequences, New Mexico and the recreational opportunities provided at Elephant Butte Lake.
