

## Riverview Farm For Sale

- \$975,000
- Roswell, NM
- 13.976 Acres

This stunning country home is a true masterpiece, designed with attention to detail and quality craftsmanship. Located just minutes from the vibrant city of Roswell, this home offers the perfect balance of privacy and convenience.

The home itself is a crown jewel, boasting luxurious finishes and thoughtful design elements throughout. From the grand foyer to the gourmet kitchen, every aspect of this home has been meticulously planned and executed. The spacious bedrooms and elegantly appointed bathrooms offer a peaceful retreat from the hustle and bustle of daily life.

In addition to its stunning design and amenities, the property includes an irrigated farm planted in alfalfa, complete with water rights, corrals, and working pens.

Outside, the property is a true oasis, with lush landscaping, and plenty of space to relax and entertain. Whether you're hosting a summer barbecue or simply enjoying a quiet evening under the stars, this home offers endless possibilities for outdoor enjoyment.

In summary, this custom-built country home is a rare find, offering the best of both worlds – a tranquil retreat in the countryside, just minutes away from the amenities of the city. Don't miss your chance to own this remarkable property – schedule a viewing today.
